

Top 10 CarePortal Benefits for Community Champions

1. Build company, team or family culture around valuable opportunities to give time, talent and treasure in serving the most vulnerable
2. Access to meet high-impact, vetted needs from carefully selected requesting agencies, schools and non-profit organizations that directly serve families and kids in crisis
3. Activate and manage your own response team(s) in a way that gives team leaders login access to their own team dashboard
4. Custom settings for each Champion account and its teams, providing flexibility in how they want to serve
5. Track the economic impact of what each team has given and done together
6. Localized training and support from local CarePortal experts
7. Community partnership opportunities for individual responders and your organization to take next steps and deepen connections
8. Determine which churches you'd like to partner with when your teams respond
9. Custom-branded public web page providing an easy way to meet and advocate for open requests
10. Mobile App allowing team leaders to activate and lead their teams, and responders to commit to serve or give
